

# Welcome to Health Care FSA

## *I enrolled for Health Care FSA...*

### *Now what?*

Now that you are enrolled, you can start to use the funds you have elected to withhold on the first day of your plan year.

If your plan offers a debit card, simply present the card when paying for eligible services or expenses, and the cost of service comes off of your account automatically.

If your plan does not include a debit card, or you forget to use your card, you can be reimbursed for eligible expenses by filling out the [Health Care Claim Reimbursement Form](#) and returning it to us within 90 days after the plan year ends, along with an itemized receipt of the services or expenses that were incurred.

### *You might be wondering...*

#### *“How do I get reimbursed for my claim?”*

If you submit a Health Care Claim Reimbursement Form to us, we will reimburse you in one of two ways. If we have your direct deposit information on file, you will receive that reimbursement directly to your account. Otherwise, you will receive a check in the mail. If you are interested in setting up direct deposit for reimbursement, please download the “[Direct Deposit Sign Up Form](#)”, and return it to us, or log into your account (see below). Direct deposit payments are typically in your account by the end of the following week; however, the bank has 3 business days to post it to your account.

### *Is there a way I can view the transactions or balances on my account?*

For your convenience, we offer the Consumer Portal, which provides you the ability to log on at any time, to check your balance, see your account activity, and other helpful tools. You can visit the Consumer Portal through our website, [www.cpa125.com](http://www.cpa125.com).

Additionally, we also offer a mobile app, where you can check your account activity. Download “CPA FLEX MOBILE” from your Apple App Store or Google Play Stores.
